

2012 YEAR AHEAD ROUNDTABLE

Smart Investor assembles a team of investment experts to give you the lowdown on what to expect from the year ahead. From the economic outlook to investment opportunities, here's how to position your finances to benefit. We also take a look at how our predictions from last year fared.

CREATE A WEALTH PLAN

There's no doubt about it, we're definitely living in interesting times, particularly when it comes to your finances and investment decisions. To help you get a grip on everything for 2012, Smart Investor is putting together a wealth plan which you will be able to use for the rest of the year. It will include budget ready reckoners, asset split suggestions and goal setting templates.

INVESTING LIKE A PRO

Think you know what you're doing when it comes to investment? This is your chance to prove it. Our special test will reveal how much you really know - and where you could get yourself into trouble.
